There are no common work activities.

Tools and Technologies that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 56

Focus Occupation: Audiologists (29-1121)
Associated Occupation: Health Technologists and Technicians, All Other (29-2099)

Tools and Technologies	Exclusivity
Cameras	2
Computers	1
Content authoring and editing software	1
Diagnostic assessment and exam products for general use	21
Indicating and recording instruments	2
Industry specific software	1
Scopes and specula and accessories for medical exam diagnostic use	23
Syringes and accessories	14

Not all positions in these occupations will necessarily use all of the listed tools and technologies. The exclusivity rating is an indication of how unique the tool or technology is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations use that tool or technology.
